CZR TOKEN TERMS

Version 1.0
Effective Date: September 25, 2026
Issuer: CZR Fndn Ltd.
Jurisdiction: British Virgin Islands

IMPORTANT NOTICE

These CZR Token Terms constitute a binding legal agreement between you and CZR Fndn Ltd., a company established in the British Virgin Islands, concerning your acquisition, receipt, ownership, transfer, or use of CZR tokens.

Please read these Token Terms carefully before acquiring, holding, transferring, or using CZR.

By purchasing CZR directly from the Issuer, accepting these Token Terms electronically, or participating in an applicable CZR program, you confirm that:

- **You have read and understood these Token Terms.**
- **You agree to be legally bound by them.**
- **You satisfy the eligibility requirements described below.**
- **You have reviewed the CZR Token Whitepaper and applicable risk disclosures.**
- **You understand that acquiring and trading CZR involves substantial risk.**
- **You may lose the entire value associated with CZR.**
- **No return, price, liquidity, utility, reward, or exchange availability is guaranteed.**

If you do not agree to these Token Terms, you must not purchase CZR from the Issuer or participate in a program governed by them.

---

1. Scope

These Token Terms govern:

- **Participation in an approved CZR public token sale**
- **Acquisition and receipt of CZR from the Issuer**
- **Ownership and holding of CZR**

- **Transfers and permitted uses of CZR**
- **Participation in eligible CZR ecosystem programs**
- **Rights, responsibilities, restrictions, and risks associated with CZR**

Separate terms may apply to:

- **CZR Exchange**
- **CZR Wallet**
- **CZR Launchpad**
- **Staking programs**
- **Airdrops**
- **Rewards and VIP programs**
- **Trading competitions**
- **Referral programs**
- **Buyback or burn programs**
- **Third-party wallets, exchanges, custodians, and platforms**

Use of any such product or program may require acceptance of additional terms.

---

2. Issuer

CZR is issued by:

CZR Fndn Ltd.
British Virgin Islands

Website: czrtoken.com
Email: admin@czrtoken.com
Support: support@czrtoken.com

CZR Fndn Ltd. is referred to in these Token Terms as the “Issuer,” “CZR,” “we,” “us,” or “our.”

CZR Exchange and CZR Fndn Ltd. are separate legal entities, although they are affiliated within the broader CZR ecosystem.

---

3. Token Information

Item	Details
Token name	**CZR**
Token symbol	**CZR**

You are responsible for verifying the official contract address before acquiring, receiving, transferring, or interacting with CZR.

The Issuer is not responsible for losses involving counterfeit tokens, incorrect contract addresses, phishing websites, impersonation accounts, unofficial airdrops, or transfers made to incorrect or incompatible addresses.

---

4. Nature and Intended Utility of CZR

CZR is intended to function as a utility token within the CZR ecosystem.

Potential utility may include:

- **Trading-fee discounts**
- **Trading-fee rebates**
- **VIP benefits**
- **Staking programs**
- **Platform rewards**
- **Referral incentives**
- **Trading campaigns**
- **CZR Launchpad participation**
- **CZR Wallet integration**
- **Community programs**
- **Ecosystem access**
- **Buyback or burn programs, if implemented**

Utility features may be introduced, modified, suspended, restricted, or discontinued. Holding CZR does not guarantee access to any particular feature, program, reward, discount, service, or benefit.

Unless expressly required by applicable law or stated in a separate written agreement, CZR does not represent:

- **Equity or shares in the Issuer, CZR Exchange, or an affiliated entity**
- **Ownership of the Issuer or CZR Exchange**
- **Debt or a repayment obligation**
- **A bank deposit or insured account**
- **A claim against company assets**
- **Voting rights in a legal entity**
- **Dividend or profit-sharing rights**
- **A contractual right to revenue**
- **A guaranteed reward**
- **A guaranteed redemption right**
- **A guaranteed return or price appreciation**

---

5. Eligibility

You may purchase or participate in an Issuer-operated CZR program only if:

1. **You are at least 18 years old and have legal capacity to enter into a binding agreement.**
2. **You have completed all required identity-verification and compliance checks.**
3. **You are not located in, organized in, or ordinarily resident in a restricted jurisdiction.**
4. **You are not acting on behalf of a restricted person.**
5. **You are not subject to applicable sanctions or asset-freezing restrictions.**
6. **Your acquisition and use of CZR comply with all laws applicable to you.**
7. **All information supplied by you is complete, accurate, and current.**
8. **Your funds and digital assets come from lawful sources.**
9. **You are acting for your own account unless the Issuer has approved a disclosed principal.**
10. **You are not participating through fraud, manipulation, evasion, or other prohibited activity.**

The Issuer may request additional information at any time to verify eligibility.

The Issuer may reject, suspend, restrict, or cancel participation if it reasonably believes a person is ineligible, has provided inaccurate information, or presents a legal, compliance, sanctions, fraud, cybersecurity, or reputational risk.

---

6. Restricted Persons and Jurisdictions

CZR is not offered, promoted, or sold by the Issuer to:

- **United States persons**
- **Persons located in the United States**
- **Persons incorporated or organized in the United States**
- **United Kingdom customers**
- **European Union customers**
- **Persons in sanctioned or prohibited jurisdictions**
- **Persons included on applicable sanctions or restricted-party lists**
- **Any person whose participation would violate applicable law**

Additional geographic restrictions may be imposed when required for legal, regulatory, sanctions, compliance, banking, exchange, or operational reasons.

You must not use a VPN, proxy, false address, nominee, third party, misleading information, or another method to evade eligibility controls.

You must promptly notify the Issuer if your location, residence, citizenship, incorporation, beneficial ownership, sanctions status, or other eligibility information changes.

---

7. Identity Verification and Compliance

Participation in a CZR public sale is limited to approved users who complete the required verification process.

The Issuer or its authorized providers may conduct:

- **Identity verification**
- **Business verification**
- **Beneficial-ownership verification**
- **Sanctions screening**
- **Politically exposed person screening**
- **Adverse-media screening**
- **Wallet screening**
- **Source-of-funds checks**
- **Source-of-wealth checks**
- **Fraud prevention**
- **Blockchain-transaction monitoring**
- **Ongoing compliance reviews**

You agree to provide information and documentation reasonably requested for these purposes.

The Issuer may delay token allocation or delivery while a review is pending. Successful verification does not require the Issuer to accept a purchase.

---

8. Electronic Acceptance

Where an electronic acceptance process is provided, you accept these Token Terms by checking the applicable acceptance box and submitting your purchase order or program application.

Your electronic acceptance has the same effect as a handwritten signature to the maximum extent permitted by law.

The Issuer may retain electronic records showing:

- **The version of the Token Terms accepted**
- **The date and time of acceptance**
- **Account or purchaser information**
- **Internet-protocol and device information**
- **Purchase and payment information**
- **Compliance records**

Acquisition of CZR through an independent secondary-market transaction does not necessarily make the secondary-market purchaser a party to the original public-sale agreement. However, all holders remain responsible for complying with applicable laws and the terms of any CZR product or service they use.

---

9. Public Token Sale

9.1 Public-Sale Price

The public-sale price is:

USD $0.025 per CZR

This price applies only to an accepted primary-market public-sale purchase from the Issuer or its authorized distributor.

It does not establish or guarantee:

- **A launch-market price**
- **A minimum trading price**
- **A secondary-market price**
- **Future token value**
- **Liquidity**
- **Market capitalization**
- **A redemption value**

After trading begins, the market price may be higher or lower than the public-sale price.

9.2 Purchase Requests

Submitting a purchase request does not guarantee acceptance.

An order becomes binding only after:

- **The required payment is received;**
- **Verification and compliance checks are completed;**
- **The Issuer accepts the order; and**
- **The purchaser receives an allocation record or purchase confirmation.**

The Issuer may establish minimum and maximum purchase amounts, allocation limits, payment deadlines, and other conditions. These will be displayed during the purchase process or in the purchase confirmation.

9.3 Payment

Accepted payment methods will be displayed during the purchase process.

You are responsible for:

- **Sending the correct asset**
- **Using the correct blockchain network**
- **Paying required blockchain or transfer fees**
- **Completing payment before the stated deadline**
- **Providing accurate transaction information**
- **Using an account or wallet under your lawful control**

The Issuer is not responsible for funds sent using an unsupported asset, incorrect network, incorrect address, or unauthorized payment method.

9.4 Sale Allocation

Public-sale tokens will be sourced from within the existing one-billion-token supply.

The public sale will not increase the maximum CZR supply.

The applicable source allocation and supply treatment will be identified in the final CZR Token Whitepaper, token-allocation disclosure, purchase confirmation, or another official disclosure.

---

10. Order Rejection, Cancellation and Payment Errors

The Issuer may reject or cancel a purchase before final acceptance where:

- **The purchaser does not complete verification.**
- **Payment is late, incomplete, excessive, or made incorrectly.**
- **The transaction presents legal, sanctions, AML, fraud, or cybersecurity concerns.**
- **Accepting the transaction may violate applicable law.**
- **The sale is oversubscribed.**
- **Tokens are unavailable for the requested allocation.**
- **A material technical or operational error occurs.**
- **The purchaser provided false, incomplete, or misleading information.**
- **The Issuer reasonably determines that rejection is necessary to protect the CZR ecosystem.**

If a purchaser sends too little, the Issuer may reject the order, allocate a reduced number of tokens, or request the remaining payment.

If a purchaser sends too much, the Issuer may reduce the order and return the excess, subject to compliance review and applicable fees.

The Issuer may delay the sale, token launch, allocation, or delivery where reasonably necessary for legal, regulatory, technical, security, market, or operational reasons.

---

11. No Refunds

Except where required by applicable law or where the Issuer rejects an order before final acceptance, all accepted CZR purchases are final and non-refundable.

A purchaser is not entitled to a refund because of:

- **A change in the market price of CZR**
- **A decline in token value**
- **Limited or unavailable liquidity**
- **A change in personal circumstances**
- **A delay in trading availability**
- **Changes to token utility**
- **Changes in applicable law**
- **Changes to ecosystem services**

- **Dissatisfaction with market performance**
- **Inability to transfer or sell CZR**
- **Failure to understand these Token Terms**
- **Failure to review the Whitepaper or risk disclosures**

If the Issuer rejects an order after receiving payment, the Issuer may return the amount received, less unavoidable blockchain, banking, conversion, intermediary, or processing costs, to the extent permitted by law.

Any refund remains subject to:

- **Applicable sanctions and asset-freezing requirements**
- **Anti-money-laundering and counter-terrorist-financing requirements**
- **Fraud and transaction-monitoring reviews**
- **Source-of-funds verification**
- **Blockchain wallet screening**
- **Court orders and regulatory instructions**
- **Requests or restrictions imposed by competent authorities**
- **The Issuer's legal reporting and record-retention obligations**

The Issuer may delay, block, withhold, or refuse a refund where processing it would violate applicable law, sanctions, a court order, an asset-freezing requirement, or a lawful direction from a competent authority.

If funds are suspected to be proceeds of crime, associated with fraud, connected to a sanctioned person, or otherwise subject to legal restriction, the Issuer may retain or transfer the funds only as permitted or directed by applicable law or the appropriate authority.

A refund will normally be returned only to the original verified payment source. The Issuer will not send a refund to a different person, wallet, bank account, or exchange account unless the change has been approved following enhanced verification.

No interest will be paid on delayed, blocked, withheld, or returned funds unless required by law.

---

12. Token Delivery

Tokens will be delivered to the approved wallet, account, vesting arrangement, or distribution mechanism specified during the purchase process.

You are responsible for ensuring that:

- **Your wallet supports Ethereum ERC-20 tokens.**
- **You control the receiving wallet.**
- **The wallet address is correct.**
- **Your private keys and credentials are secure.**
- **Receiving CZR is lawful in your jurisdiction.**
- **You understand the applicable lockup and vesting restrictions.**

Blockchain transfers are generally irreversible. The Issuer may be unable to recover CZR sent to an incorrect, inaccessible, unsupported, or compromised address.

A blockchain record, platform record, vesting record, or purchase confirmation may serve as evidence of allocation and delivery.

Delivery may be delayed while compliance, security, technical, or legal reviews remain outstanding.

---

13. Public-Sale Lockup and Vesting

Unless different terms appear in a signed agreement or purchase confirmation, public-sale CZR will be subject to the following schedule:

- **Launch unlock: 0%**
- **Lock period: 12 months**
- **Expected lock commencement: October 1, 2026**
- **Expected lock expiration: September 30, 2027**
- **Vesting commencement: October 1, 2027**
- **Vesting period: 12 months**
- **Release frequency: Monthly**
- **Expected final vesting date: September 30, 2028**

Tokens may be administered through a vesting contract, restricted wallet, custodial account, platform ledger, or another approved mechanism.

You must not attempt to:

- **Evade the lockup**
- **Transfer rights to locked tokens without approval**
- **Sell or pledge locked tokens where prohibited**
- **Use a nominee or third party to circumvent restrictions**
- **Misrepresent the transferability of locked tokens**

The applicable signed agreement or purchase confirmation will control if it specifies different dates or terms.

---

14. Secondary-Market Trading

CZR is intended to launch primarily on CZR Exchange.

No representation or guarantee is made regarding:

- **Listing on any exchange**
- **Continued listing**
- **Trading volume**
- **Market depth**
- **Token price**
- **Bid-ask spreads**
- **Market-maker performance**
- **Availability of deposits or withdrawals**
- **Availability in any jurisdiction**
- **Ability to sell CZR**
- **Third-party exchange listings**

Secondary-market prices are determined by market activity and may differ materially from the public-sale price.

The Issuer does not guarantee that a purchaser will be able to sell CZR or recover any amount paid.

---

15. Market Conduct

You must not use CZR or a CZR-related platform to engage in:

- **Market manipulation**
- **Wash trading**
- **Spoofing or layering**
- **False or misleading orders**
- **Coordinated price manipulation**
- **Pump-and-dump activity**
- **Fraudulent trading**

- **Misuse of confidential information**
- **Trading while possessing material nonpublic information**
- **Deceptive promotional activity**
- **Sanctions evasion**
- **Money laundering**
- **Terrorist financing**
- **Unauthorized account access**
- **Cyberattacks or exploitation**
- **Any unlawful activity**

The Issuer and its affiliates may investigate suspected misconduct and cooperate with exchanges, compliance providers, blockchain analytics firms, regulators, courts, and law-enforcement authorities.

---

16. Affiliated Entities and Conflicts of Interest

CZR Fndn Ltd. is the issuer of CZR. It does not directly own CZR Exchange.

The Issuer and CZR Exchange are separate legal entities but are affiliated within the broader CZR ecosystem. They share a common founder and may have overlapping beneficial ownership, directors, officers, or management personnel.

This relationship may create actual or perceived conflicts involving:

- **Token listings**
- **Trading incentives**
- **Exchange fees**
- **Rewards**
- **Staking programs**
- **Liquidity arrangements**
- **Market makers**
- **Treasury activity**
- **Token burns**
- **Promotional decisions**
- **Access to information**

Related-party matters are intended to be handled through documented authorization, disclosure, market-integrity, and conflict-of-interest procedures.

These procedures may not eliminate every potential conflict.

---

17. Market Makers and Liquidity Providers

The Issuer, CZR Exchange, or an affiliated entity may engage market makers or liquidity providers.

Commercial arrangements may include:

- **Token loans**
- **Service fees**
- **Performance-based fees**
- **Revenue sharing**
- **Purchase rights or options**
- **Inventory-return obligations**
- **Reporting requirements**

These arrangements do not authorize market manipulation or guarantee any particular price, volume, spread, or liquidity level.

Market makers may hold significant CZR inventory and may buy or sell CZR under their agreements and applicable requirements.

---

18. Token Utility and Ecosystem Programs

Token utility may be subject to:

- **Separate program terms**
- **Eligibility requirements**
- **KYC requirements**
- **Geographic restrictions**
- **Holding thresholds**
- **Staking requirements**
- **Trading-volume requirements**
- **Program limits**
- **Availability periods**
- **Technical readiness**

The Issuer or applicable service provider may change, suspend, restrict, or discontinue a feature where reasonably necessary for legal, regulatory, compliance, security, technical, commercial, or operational reasons.

No utility feature is guaranteed to remain available indefinitely.

---

19. Airdrops, Rewards and Promotions

Airdrops, rewards, referrals, trading campaigns, competitions, and promotions will be governed by separate published terms.

Participation may be restricted based on:

- **Jurisdiction**
- **Account status**
- **Verification status**
- **Trading activity**
- **CZR holdings**
- **Snapshot requirements**
- **Anti-fraud controls**
- **Anti-sybil controls**
- **Program-specific criteria**

The Issuer may disqualify participants who use multiple accounts, false information, bots, coordinated activity, manipulation, or other abusive practices.

No person has a right to receive an airdrop or reward unless eligibility is confirmed under the applicable program rules.

---

20. Staking

Any CZR staking program will be governed by separate staking terms.

Unless expressly stated in those terms:

- **Rewards are not guaranteed.**
- **Reward rates may change.**
- **Staked tokens may be subject to lock periods.**
- **Unstaking may be delayed.**

- **Programs may be modified or terminated.**
- **Staking may not be available in every jurisdiction.**
- **Participants remain responsible for taxes.**

Descriptions of potential staking utility do not create an obligation to launch or maintain a staking program.

---

21. Buybacks and Burns

The Issuer or an affiliated entity may establish a token buyback or burn program.

Any program will be discretionary and subject to:

- **Formal authorization**
- **Available resources**
- **Applicable law**
- **Market-integrity requirements**
- **Operational readiness**
- **Published terms**

No buyback amount, schedule, funding source, token price, or market effect is guaranteed.

A buyback or burn must not be interpreted as a promise to support or increase the CZR price.

---

22. Wallet and Custody Responsibility

You are responsible for securing your:

- **Private keys**
- **Seed phrases**
- **Passwords**
- **Devices**
- **Exchange accounts**
- **Wallet software**
- **Authentication methods**
- **Backup information**

You should never share a private key, seed phrase, password, or authentication code with anyone claiming to represent CZR.

Except where CZR is held through an expressly agreed custodial service, the Issuer does not hold your private keys and cannot restore access to a lost wallet.

Loss or compromise of credentials may result in permanent loss of CZR.

---

23. Taxes

You are solely responsible for determining and satisfying all taxes, duties, reporting requirements, and governmental charges arising from:

- **Purchasing CZR**
- **Holding CZR**
- **Receiving CZR**
- **Transferring or selling CZR**
- **Staking CZR**
- **Receiving rewards or airdrops**
- **Using CZR within the ecosystem**

The Issuer does not provide tax advice.

You should consult an independent tax adviser. The Issuer may collect, withhold, or report information where required by law.

---

24. Risks

Acquiring, holding, transferring, or using CZR involves substantial risk, including:

- **Price volatility**
- **Loss of the entire purchase amount**
- **Limited liquidity**
- **Slippage**
- **Limited launch supply**
- **Future vesting releases**
- **Token concentration**
- **Market-maker inventory**

- **Affiliated-venue conflicts**
- **Smart-contract vulnerabilities**
- **Ethereum network disruption**
- **Regulatory changes**
- **Tax uncertainty**
- **Cybersecurity incidents**
- **Exchange interruptions**
- **Wallet compromise**
- **Phishing and fraud**
- **Loss of private keys**
- **Program modification**
- **Loss or reduction of token utility**
- **Delisting or trading suspension**

You confirm that you have reviewed the complete CZR Token Whitepaper and Risk Disclosure and that you can bear a total loss.

---

25. No Advice or Fiduciary Relationship

Information provided by the Issuer, CZR Exchange, team members, founders, officers, employees, advisors, contractors, affiliates, or service providers does not constitute:

- **Investment advice**
- **Financial advice**
- **Legal advice**
- **Tax advice**
- **Accounting advice**
- **A recommendation to buy or sell CZR**
- **A guarantee of future performance**

No fiduciary, advisory, trustee, partnership, agency, or similar relationship is created by these Token Terms or by your acquisition of CZR.

You must make your own independent decision and obtain professional advice where appropriate.

---

26. Forward-Looking Statements

The Whitepaper, Litepaper, website, announcements, and related materials may contain forward-looking statements about:

- **Product development**
- **Token utility**
- **Platform features**
- **Adoption**
- **Partnerships**
- **Exchange availability**
- **Rewards**
- **Staking**
- **Launchpad access**
- **Buybacks**
- **Burns**
- **Ecosystem growth**

Such statements involve assumptions, risks, and uncertainties. Actual results may differ materially.

Forward-looking statements are not guarantees or contractual promises unless expressly included in a signed agreement.

---

27. Intellectual Property

All intellectual-property rights in the CZR name, logos, websites, documents, software, designs, and branding belong to the Issuer, its affiliates, or their licensors.

These Token Terms do not grant you the right to use CZR trademarks, logos, branding, or content except for personal, noncommercial reference to legitimately held CZR.

You must not create misleading websites, tokens, accounts, applications, promotions, or materials suggesting an unauthorized relationship with CZR.

---

28. Suspension and Restrictions

The Issuer may suspend, restrict, or refuse participation where reasonably necessary to:

- **Comply with law, sanctions, or court orders**

- **Address AML or fraud concerns**
- **Prevent misuse**
- **Protect users or systems**
- **Respond to cybersecurity incidents**
- **Investigate misconduct**
- **Correct technical errors**
- **Address blockchain disruptions**
- **Enforce these Token Terms**
- **Protect the CZR ecosystem**

The Issuer cannot reverse ordinary Ethereum transactions or seize CZR from a self-custodied wallet merely by exercising contractual rights.

Exchanges, custodians, vesting providers, and other service providers may impose restrictions under their own terms and legal obligations.

---

29. Disclaimers

To the maximum extent permitted by law, CZR is provided on an "as is" and "as available" basis.

The Issuer makes no warranty that:

- **CZR will maintain or increase in value.**
- **A market will exist.**
- **Liquidity will be available.**
- **Any feature will launch or remain available.**
- **Any exchange will list or continue listing CZR.**
- **A blockchain or platform will operate without interruption.**
- **CZR will be suitable for a particular purpose.**
- **Information will always be complete, current, or error-free.**

Nothing in these Token Terms excludes a warranty or right that cannot lawfully be excluded.

---

30. Limitation of Liability

To the maximum extent permitted by law, the Issuer and its affiliates, directors, officers, employees, advisors, contractors, and service providers will not be liable for indirect, incidental, special, punitive, exemplary, or consequential losses, including:

- **Lost profits**
- **Lost trading opportunities**
- **Loss of data**
- **Loss of goodwill**
- **Token-price losses**
- **Network fees**
- **Tax losses**
- **Business interruption**

The Issuer will not be responsible for losses arising from:

- **Market movements**
- **User error**
- **Incorrect wallet addresses**
- **Lost credentials**
- **Phishing**
- **Third-party services**
- **Blockchain failures**
- **Exchange interruptions**
- **Regulatory action**
- **Force majeure events**
- **Unauthorized access outside the Issuer's reasonable control**

To the maximum extent permitted by law, the Issuer's aggregate liability arising from an accepted public-sale purchase will not exceed the amount actually paid to the Issuer for the CZR giving rise to the claim.

Nothing excludes liability that cannot lawfully be excluded or limited.

---

31. Indemnification

To the maximum extent permitted by law, you agree to indemnify the Issuer and its affiliates, directors, officers, employees, advisors, contractors, and service providers against claims, losses, liabilities, penalties, costs, and reasonable legal fees arising from:

- **Your breach of these Token Terms**
- **Your violation of applicable law**
- **False or misleading information provided by you**

- **Your infringement of third-party rights**
- **Your misuse of CZR or related services**
- **Your attempt to evade restrictions**
- **Fraudulent, manipulative, or prohibited activity**

---

32. Force Majeure

The Issuer will not be liable for delays or failures caused by events beyond its reasonable control, including:

- **Blockchain disruption**
- **Network congestion**
- **Smart-contract incidents**
- **Cyberattacks**
- **Exchange or custodian failures**
- **Banking interruptions**
- **Power or internet outages**
- **Natural disasters**
- **War or civil unrest**
- **Government action**
- **Sanctions**
- **Regulatory changes**
- **Labor disputes**
- **Failure of critical service providers**

The Issuer may delay launch, delivery, vesting administration, or program operation where reasonably necessary because of such an event.

---

33. Changes to These Token Terms

The Issuer may update these Token Terms where reasonably necessary to address:

- **Changes in law**
- **Regulatory requirements**
- **Security risks**
- **Technical changes**
- **New token utility**
- **Operational developments**

- **Errors or ambiguities**

Material changes will be published through czrtoken.com or another official channel.

Unless a different date is stated, updated terms take effect when published.

Changes will not retroactively alter a confirmed purchase price, token quantity, or vested ownership right unless required by law, necessary to correct an error, or agreed with the affected purchaser.

---

34. Relationship With Other Documents

These Token Terms should be read with:

- **The CZR Token Whitepaper**
- **The CZR Token Litepaper**
- **The CZR Risk Disclosure**
- **The applicable purchase confirmation**
- **Applicable sale, staking, airdrop, reward, or program terms**
- **Applicable CZR Exchange or CZR Wallet terms**

If documents conflict, the following order generally applies:

1. **A signed individual agreement**
2. **The applicable purchase confirmation**
3. **Specific sale or program terms**
4. **These CZR Token Terms**
5. **The latest CZR Token Whitepaper**
6. **The CZR Token Litepaper**
7. **General marketing or promotional materials**

Mandatory applicable law prevails over all documents.

---

35. Privacy

Personal information will be processed in accordance with the applicable CZR Privacy Policy and legal requirements.

Information may be shared with authorized providers for:

- **Identity verification**
- **Compliance screening**
- **Blockchain analytics**
- **Payment processing**
- **Token delivery**
- **Fraud prevention**
- **Cybersecurity**
- **Customer support**
- **Legal and regulatory compliance**

You should review the applicable Privacy Policy before submitting personal information.

---

36. Communications

You consent to receiving electronic communications relating to CZR, including:

- **Purchase confirmations**
- **Verification requests**
- **Security notices**
- **Vesting notices**
- **Legal disclosures**
- **Updates to these Token Terms**
- **Service announcements**

Official notices may be delivered through:

- **The email associated with your account**
- **An approved platform account**
- **czrtoken.com**
- **Another official CZR channel**

You are responsible for maintaining accurate contact information.

---

37. Governing Law

These Token Terms and any non-contractual obligations arising from them are governed by the laws of the British Virgin Islands, without regard to conflict-of-law principles.

---

38. Jurisdiction

Subject to mandatory rights that cannot lawfully be excluded, the courts of the British Virgin Islands have exclusive jurisdiction over disputes arising from or relating to:

- **These Token Terms**
- **A CZR public-sale purchase**
- **Ownership or use of CZR**
- **Communications relating to CZR**
- **The relationship between you and the Issuer**

The Issuer may seek urgent injunctive or protective relief in another jurisdiction where reasonably necessary to protect assets, confidential information, intellectual property, or legal rights.

---

39. Time Limit for Claims

To the maximum extent permitted by law, a claim relating to these Token Terms or an accepted CZR purchase must be brought within one year after the claimant became aware, or reasonably should have become aware, of the circumstances giving rise to the claim.

This section does not apply where a longer mandatory limitation period cannot lawfully be shortened.

---

40. Assignment

You may not assign or transfer your contractual rights or obligations under these Token Terms without the Issuer's prior written consent.

The Issuer may transfer its rights and obligations as part of a restructuring, merger, sale, reorganization, or transfer to an affiliated or successor entity, subject to applicable law.

A transfer of CZR does not automatically transfer contractual rights personal to the original purchaser.

---

41. Severability

If any provision is found invalid, unlawful, or unenforceable, it will be limited or interpreted to the minimum extent necessary. The remaining provisions will continue in effect.

---

42. No Waiver

A failure or delay by the Issuer in exercising a right does not waive that right.

A waiver is effective only if made in writing by an authorized representative of the Issuer.

---

43. Entire Agreement

These Token Terms, together with the documents expressly incorporated into them, constitute the entire agreement concerning their subject matter.

They replace prior discussions or representations concerning that subject matter, except for fraud or statements that cannot lawfully be excluded.

---

44. Language

These Token Terms are issued in English.

Any translation is provided for convenience only. To the extent permitted by law, the English version controls if there is an inconsistency.

---

45. Contact

Questions concerning these Token Terms may be directed to:
